Bognor Regis -Your Council Keeping You Informed

Introducing the New Site Manager

To ensure good communication and effective site management Cheesmur have appointed Mark Cornwell an in-house member of staff to take on the role of site manager. Mark said" I am absolutely delighted to be part of this exciting project in Bognor Regis'

Council Double Checks Fire Safety of New Cinema Cladding

In light of recent national incidents relating to building cladding and risk of flame spread the Town Council asked the contractors to double check the fire safety of the cladding proposed at the Picturedrome cinema. This has been done and Arun's Building Control have given it the thumbs up

Foundations for Success

Demolition work to the rear of the cinema is now complete and the job of preparing the site for building works commenced 9th October. The first job was to construct the foundations to which the steel structure will be bolted. The foundations are nearing completion and already the steel structure is being built.

You may already know that the contractors have lost a little time due to unforeseen problems but the Council is confident that they will catch up and the new screen will be open for viewing by the 2018 Summer holidays.
